Robert, to make it simple and still correct, let's use the action code of RS removal support for these folks that are from other divisions. And the PRC code of

Nonresponsive

For Janie Acevedo, Carmen Assunto, and David Gray, they should probably use the action code of CR Community Relations, and the PRC code of

Nonresponsive

Would you please get the PPLID from Compass for me?

Hello Cindy, Yes I need something else from you.

OK will add the Superfund Gold King Mine account....but you need to provide me with the account number (s)

you want me to add to their PPL favorites, which will also be use on their travel.

I know its { Nonresponsive }, I need the following PRC CODE = ?? and the Action Code = ??.

It would be helpful and speed things if I had the employees PPLID.

The SSID was establish in COMPASS today, so it's going to be till tomorrow, when I can add the accounts into their PPL favorites.
